REMARKS

By this election, Applicant provisionally elects the Group I species shown in Figs. 1-7 and on which claims 1, 9, 18, and 26 read. Reconsideration of the restriction requirement is respectfully requested. The claims define only three embodiments which differ only in the number of supporting projections. The drawings of Figs. 19-27 are representative of the environment of the invention. Added claim 27 is generic to all embodiments, and it is submitted that, upon finding claim 27 allowable, the remaining claims in this application should also be allowable.

Early and favorable action on the merits of this application are respectfully solicited.

Respectfully submitted,

KOJI KANEKO
